~~~~~  
ELECTION NIGHT: A slate of Officers for the coming Fiscal Year, which begins 1 September was given to President Christian Schlather at the May meeting by the Nominating Committee as follows: PRESIDENT--Stanley B. McClintock, Jr. VICE-PRESIDENT--Edward Boehme, Sr. SEC'Y-TREAS -W. G. Arnold, BOARD OF GOVERNORS-CHAIRMAN--Christian Schlather MEMBERS--Albert H. Wick, Joseph Rataj and J. S. Stevenson. Other nominations will be taken from the floor Monday night and these, together with the above names shall comprise the nominees for Offices and will be voted on by you.

~~~~~  
SPEAKER FOR THE EVENING will be Eric P. Newman, who will tell you of the "Exciting New Discoveries in coin research". Mr. Newman has done a great deal of research work in the past in Numismatics and has written several books which bring to light facts. You will enjoy his talk on this subject I am sure.

~~~~~  
BOURSE TABLES (MIDWAY FASHIO) as before, will be set up in a separate section away from the regular meeting section. Special effort will be made to have this section well lighted for convenience of the buyer as well as the seller. Bring your material that you wish to sell or trade, come early and get a good table. If you do not wish to attend a table come early anyway and browse around in OUR NUMISMATIC BARGAIN ROW. You may find something that you have been looking for for sometime and at a bargain. These tables will be required to remain closed only during the meeting.

~~~~~  
DOOR PRIZES OF HIGH QUALITY CALORE will be awarded to those whose names are drawn from the attendance cards given to you after you enter the meeting room. You have but to fill in your name and (if Non-Member) your complete address and return it to the Officer's Table before the meeting is called to order.

~~~~~  
THE MONTHLY AUCTION will be conducted by our good friend, member and auctioneer, C.J. G. (Col) Miller. Each Member will be permitted to enter five lots which should be of high quality & in demand. Lots not meeting these specifications will be respectfully declined. The entry fee and minimum & maximum charge used in the past will be used. In the event that you intend to take part in the bidding please bring with you some small change and also small bills to facilitate payment of lots as they are sold.

~~~~~  
REFRESHMENTS (COFFEE & DOUGHNUTS) will be served immediately after the conclusion of the auction. You may enjoy these snacks while talking to friends trading coins or while making that last visit to the Bourse Tables.

~~~~~  
LAST MEETING OF THE FISCAL YEAR (No meetings during July & August) so this meeting be attended by all who can possibly get out. ELECTION OF OFFICERS, A SUPER AUCTION, BOURSE MIDWAY, REFRESHMENTS, and all this highlighted by "EXCITING NEW FACTS IN COIN RESEARCH" authenticated by Eric P. Newman. Last chance to chat with your fellow coin collectors at The Claridge until September 12, 1960 when The Missouri Numismatic Society will start a Brand New Season of 1960-1961.

~~~~~  
COIN-Genially yours, W. G. Arnold, Sec'y-Treas.
